I wonder what he's being so happy about.
THE MAID ALREADY MADE THE REST OF THEM INTO JAMS, SO YOU CAN TAKE IT BACK
.....
Is it because he's a florist?
Flowers bearing fruit is enough to make him that happy...
clank
He's such a strange person.
Mizushima Ituki.

Afterword

Hello, I am Izumi Katsura.

Thank you very much for picking up this comic "Hananusubito."

I'm very happy to be teamed up with Kaneda-sensei a second time. This time our original work took an approach that is completely different from the bright and cute direction we did previously.

At first, we decided secretly ourselves that the keywords would be "fetish" and "blue-beard."

"The uke, who saw his partner's secret, is taken in by the seme's strange allure."
I started writing with this image in mind, but it was too preceding to summarise, so it caused Kaneda-sensei a lot of trouble.

Despite having a tight schedule, I am happy that Kaneda-sensei managed to complete a marvellous work with a unique atmosphere and glamour.

When I read it after finishing it, once again, I can see that Kaneda-sensei took a big part in creating characters like Mizushima, who at first glance looks weak, but actually has a strong heart and Fujisawa who's gloomy and shady

For example, Fujisawa is a character who created a proud and forceful facade for himself.

However, I personally think it finally became a manga through great efforts, so I thought it would be nice if it's something different from usual. I'm really happy with Kaneda-sensei's perfect making of the naivety of the character.

This chemical change was really fun, and I learnt a lot about manga production.

F-sama and O-sama, who were in charge of this project, thank you very much.

And above all, the readers who followed through with one year's serialisation, and those who bought this book, I would like to express my great thanks.

Please also treat me kindly from now on.

Izumi Katsura

Hello, nice to meet you. My name is Kaneda Shoutarou, and I was in charge of the drawing work in "Hananusubito."

I am thankful that this is the second time I get to draw Izumi-sensei's original work, I was excited to draw in accordance with this salacious worldview.

The meaning of Mizushima-kun's name is obviously seen through the art, but I thought the beauty and the vigour of that name suits Mizushima-kun's atmosphere perfectly.

That's great. Fujisawa-san finally called Mizushima-kun "Ibuki"... That was what I was thinking while drawing ♥

I think Fujisawa-san is very cute in the tea incident in the second chapter (laugh), Nanami-san is cute and I like Hatsune-chan's role as a villain. ♥

I hope all of the characters will become happy.

Although I'm unskillful, I drew to the best of my abilities.

To Izumi-sensei, who always writes brilliant works every time, editor-san, Kitajima Setsu-san, who helped me a lot, Kozaki-san, and lastly, everyone who read till the very end of this book, I'm really thankful to all of you.

Kaneda Shoutarou

I'll leave it to you to decide.
What kind of flower will be good I wonder..?
Seems like Nanami-san is sharp
Ooh, she's cute.
Stare
It became her habit to spy on them
I wonder when he will tell me about the both of them dating~
That boy peeks in every day, he must be a worrywart

Thank you for reading!
